PROMOTION OBJECTIVE

Carrier's Cool Cash promotion is designed to promote sales of Carrier systems in the residential add-on and replacement market. Carrier aims to offer a competitive consumer rebate program to stimulate off-peak sales and to help drive sales mix to Infinity® Series Equipment.

IMPORTANT INFORMATION – FALL 2022

Revisions and updates to the Cool Cash Promotion are noted below, in addition to key reminders. Beginning in 2022, all rebates will be instant rebates to the homeowner. An instant rebate means the dealer subtracts the rebate amount directly from the homeowner's invoice at the time of purchase. Gift cards will no longer be offered nor available. For qualifying sales, FADs can offer the FAD financing promotion and the Cool Cash product rebates to homeowners during the promotional period, but they can only claim for ONE reimbursement from the factory/distributor. The dealer is responsible for funding the other reimbursement 100%.

PROGRAM RULES

TERMS AND DEFINITIONS

Equipment Names – Carrier equipment models are referred to by series: Infinity® Series or Performance™ Series or Comfort™ Series.

MyHVACpin – MyHVACpin number is a four- or five-digit identification number that uniquely identifies a person - in this case, the Sales Associate. In order to submit a claim and a Sales Associate to receive sales credit, each Sales Associate must have his or her own MyHVACpin number. When a person becomes a registered user of HVACpartners.com (meaning they have their own user name and password), they also are assigned a unique personal identification number, referred to as MyHVACpin number. Sales Associates must enter this number on the claim /invoice documentation, so it can be entered while filing their rebate claim at www.CarrierIncentives.com. Otherwise, the sales associate will not receive credit for the sale.

Sales Associates can learn their MyHVACpin number in one of the following ways:

- Log onto HVACpartners.com, click on My Profile, and scroll to the field labeled MyHVACpin
- Contact the distributor's HVACpartners' Administrator
- Call Carrier Expert Central at 1-800-946-2930

Important: The HVACpartners ID number is not the same as the MyHVACpin number:

- HVACpartners ID – identifies a company/dealer location
- MyHVACpin number – identifies a person - in this case, the Sales Associate

www.CarrierIncentives.com – Website location for customer rebates and dealer incentives to be claimed.

- Commercial or institutional applications
- Residential new construction applications or upgrades
- Multi-family applications
- Investors/investment properties

QUALIFYING PRODUCTS

Please refer to the current program documentation for eligible products. Promotion terms subject to (1) product availability and (2) change or cancellation without prior notice.

UNIT SALE: DEFINITION

A rebate incentive exists for non-system unit sales. Reference the latest program documents for product eligibility for unit sale reimbursements. Specifically, the row and column labeled "Unit Only" illustrates the rebate for an indoor unit but no outdoor unit or an outdoor unit but no indoor unit. No matching outdoor or indoor unit is required to qualify for the unit rebate.

SYSTEM SALE: DEFINITION

To qualify for a system sale, the homeowner must purchase a Carrier indoor unit (furnace or fan coil) and Carrier outdoor unit (air conditioner or heat pump). The Carrier indoor and outdoor units must be included in the latest program documents. No substitutions will be accepted.

MULTIPLE SYSTEM & UNIT REBATES

Homeowners are eligible to receive multiple system and/or unit rebates for multiple purchases of the same product. However, multiple rebates require the completion of multiple rebate claim forms, one unit/system rebate per claim form. The homeowner/dealer should file the claims on www.CarrierIncentives.com. For example, if a homeowner purchases two Infinity® 98 furnaces, the dealer must complete two (2) separate rebate claim forms.

REBATE CLAIM FORM

Carrier Cool Cash 3-ply product rebate claim forms or E-Forms are a legal requirement for claim eligibility in the Cool Cash Product Rebate Promotion. **If a dealer is not utilizing claim forms, or a fully-filled out claim form complete with dealer and homeowner signatures that cannot be provided to the factory or the distributor, the claim is not eligible for any factory reimbursement and becomes the responsibility of the distributor and the dealer.**

Claim forms for the current promotion can be ordered by distributors from SAP. Dealers can obtain the claim forms from their distributor. Rebate claim forms from previous Cool Cash promotions will not be accepted and should be discarded. Carrier Cool Cash claim E-Forms are available on HVACpartners.com.

PROMOTION DEADLINES

Accounting guidelines and regulations will not permit claim exceptions to be funded from the factory beyond the published deadline. Missed deadlines due to rebate claim system errors will be addressed on a case-by-case basis.

Payment for a claim submitted beyond the published deadline is the responsibility of the distributor and dealer and at their discretion for reimbursement. In this event, Carrier will not be responsible or liable to share in the cost of the homeowner rebate.

ADJUSTMENTS TO A FILED CLAIM

In the event a filed and accepted claim from the current promotion needs to be adjusted, please note and follow these important dates and stipulations:

- Current promotion reimbursements may be adjusted up to 7 days prior to the end of the applicable promotion period. Adjustments may only account for increases in the rebate value due to errors or additions in the initial processing. Contact Cool Cash Claim Center at 1-800-236-4603 for more information.
- **Rebates from previous Cool Cash promotions will not be re-issued.**

INSTANT REBATE CLAIMING

ALL CLAIMS IN 2022 WILL BE INSTANT CLAIMS. NO GIFT CARDS WILL BE ISSUED.

INSTANT REBATE PROCESS (REQUIRES DEALER CLAIMING):

- 1) Make a Cool Cash qualifying sale and install the equipment per the promotion's deadlines.
- 2) Subtract the total rebate amount (from the Cool Cash rebate document) from the homeowner's invoice.
 - a. Give the homeowner the dealer invoice showing where the applicable Cool Cash rebate amount has been taken off of the price. The amount must be labeled "CARRIER COOL CASH INSTANT REBATE" clearly beside the rebate in order for Carrier to verify the correct amount was given.
- 3) Fill out an instant rebate claim form with the required information.
 - a. Provide complete homeowner data on this form. If homeowner data is missing, the rebate cannot be processed.
- 4) Keep a copy of the instant rebate claim form for dealer files, and send one copy to the distributor. Some distributors also require a copy of the homeowner's invoice.
- 5) Go online to www.CarrierIncentives.com and login using your HVACpartners ID and password to file the instant rebate claim by the promotion's deadline. Contact Cool Cash Claim Center at 1-800-236-4603 for questions.
- 6) Fax a copy of the invoice to the Cool Cash administrator at 1-877-553-9436 or upload it on www.CarrierIncentives.com.
 - a. The invoice must include the homeowner's name and address, and model number and serial number of each product purchased. Incomplete invoice information will be rejected and may result in delays or non-payment of the credit.
 - b. Administrators will match the invoice with the online claim, verifying all the information.
 - c. Carrier will fund the factory portion of the rebate weekly to the distributor.
 - d. The distributor will fund the distributor portion, plus the factory portion, back to the dealer.
 - e. A thank you note from Carrier will be mailed to the homeowner.

INSTANT REBATE AUTHORIZATION

When a dealer submits an instant rebate claim on www.CarrierIncentives.com, they are electronically agreeing to adhere to the terms and conditions and follow the instant rebate process outlined in these guidelines. Once a claim is submitted dealer sales associates are confirming they understand the process required to file an instant rebate claim. If the dealership does not follow these procedures, the dealership owner understands the rebate claim will be rejected and the dealership will have to fund the entire cost of the rebate.

Turn to the experts

INSTANT REBATE COMPLAINTS

Should a customer be concerned they did not receive the full amount of the instant rebate as outlined in the thank you letter mailed to them from Carrier, the customer care center will open a case and follow the outlined process:

- 1) Collect invoice and claim information submitted to the rebate center by the dealer
- 2) Request invoice from the homeowner
- 3) If, after reviewing the invoice submitted to the rebate center and the homeowner invoice, the provided rebate is not clearly labeled as its own line item as "CARRIER COOL CASH INSTANT REBATE", or the rebate amounts do not match, the customer service center will contact the dealer for clarification within 3 business days of opening the case.
 - a. Dealer has 10 business days from the initial call to work with the customer service center and come to a resolution where the homeowner was provided the full rebate owed based on the products purchased.
- 4) If there is no resolution within 10 business days of the first call made to the dealer by the customer care center, and Carrier has provided the homeowner with a check, the original Instant Rebate Claim submitted by the dealer will be reversed and Carrier will not pay the factory contribution portion of the claim.
 - a. It is the distributor's discretion how they would like to proceed with the distributor contribution portion of the original claim.

COST

The cost of the homeowner rebate is shared by the dealer, distributor, and Carrier. Any deviation from the above is in violation of the program rules.

- Carrier and distribution each underwrite ¼ or 25% of the cost of the standard rebate; dealers are responsible for ½ or 50% of the cost of the rebate. While dealers provide 100% of the rebate up front, at the point of sale, 50% of that rebate total would be reimbursed after the claim is submitted and approved..
- Distributors are billed for ¾ or 75% of the cost of the rebate, which also includes all administrative fees.
- Distributors may not charge dealers for more than ½ of the cost of the rebate.
- Before enrolling dealers in the program, distributors must tell dealers they are responsible for paying ½ of the cost of the rebate.
- Carrier will invoice the distributor on a weekly basis throughout the duration of the program for all homeowner related rebates that were paid the prior week.

Illegal Activity: *Dealers and distributors may not charge the homeowner for any portion of the rebate, as this activity is considered fraud and is illegal.*

REBATE ACTIVITY REPORTS

Dealers and distributors can access the reports feature at www.CarrierIncentives.com to view rebate activity reports. Report updates are provided on a nightly basis indicating the previous day's activity. This data is subject to website availability and may change any time during the promotion due to adjustment requests, product returns, etc. The first update will happen one week after the start of the promotion and the reports will display individual homeowner information by dealer. If the reports are accessed before this date, the screen will appear blank.

PROGRAM MATERIALS

Rebate claim forms from previous Cool Cash promotions will not be accepted and should be discarded. The following materials are available to distributors through SAP prior to the promotion start. Dealers should acquire these materials from their distributor.

Description	SAP Number	Price
Fall 2022 Instant Rebate Claim Form	888-1072	\$0.20 / single

CARRIER FINANCING REIMBURSEMENT PROMOTION

FADs should refer to the Carrier Factory Authorized Dealer Full-Year Financing Promotion – Dealer Promotion Guidelines and reimbursement documents for details of the financing promotions available to them during the Cool Cash promotion and throughout the year. All dealers must file for financing claim reimbursement on the same website that product rebate claims are filed, www.CarrierIncentives.com.

REBATES & FINANCING ON THE SAME SALE

Carrier dealers may still offer financing on the same sale that a rebate is provided to the dealer. In these cases, dealers must choose which of the two reimbursements they want to claim for. Dealers may not claim for more than one qualifying reimbursement per sale. The dealer is responsible for fully-funding (100%) whichever option they choose to not claim for.

CO-OP FUNDS

Co-op dollars from the “end-user media communications” portion of marketing funds may be used to advertise and promote Cool Cash.

DEALER PROGRAM ENROLLMENT

To participate in the Cool Cash program, the dealer should notify the distributor. In turn, the distributor will use HVACpartners.com to enroll the dealer in the promotion. Only registered dealers are eligible to participate in the Cool Cash promotions.

Distributors must enroll dealers in the Cool Cash program before the end of the Sales Period outlined in the Key Dates section of the guidelines.

Distributors may un-enroll a dealer from further participating in the program. If the dealer attempts to claim a rebate after the dealer un-enrollment date became effective, the Cool Cash Claim Center will reject the rebate claim. Dealers will still be financially responsible for any rebates that may have been issued before the un-enrollment became effective.

DISCLAIMERS

This document contains confidential, proprietary or trade secret information of Carrier Corporation. It may not be disclosed to any third party without prior written consent from Carrier Corporation.

Amendments, Modifications, or Exceptions

This promotion is subject to termination at any time, upon notice by Carrier. Carrier reserves the right to amend or modify any portion of the promotion at any time with reasonable communication. All amendments are effective when published by Carrier. Any exceptions to the program guidelines must be approved in writing by the promotion manager or authorized Carrier personnel.

Claims Auditing

All reimbursements under the program are subject to audit. If reimbursement is received on any claim that is later determined to be ineligible, the Distributor's/Dealer's account will be debited in the amount of the ineligible claim. It is the Distributor's/Dealer's responsibility to maintain copies of supporting documentation and claim reimbursement paperwork for a minimum of 12 months after reimbursement.
